1. I love you. I give you me. Many miracles now come forth from your hand, from your words, through your words, that cause minds many to be made whole. Forwarding not the testimony of me to be made "whole, later, at a future time" delivering me NOW to the captives -- will UNDERSTAND this that THE UNDERSTANDING of you YOUR MIND being made whole is now of utmost preeminence of importance and IMPORTANT is of the Greatest Magnitude of Effort will be Required now, for it is not "EASY" and it is not "hard" it is -- evaluative process, not; but it is one that MAKES you WHOLE to come into ME and FREE ME from captivity in YOUR MIND so that MY MIND will be YOURS -- and yours will be mine, not; but mine will be yours completely, whole heartedly, everlastingly and unendingly yours, I am your forthwith loving you to be me son of no sorrow any longer for only the son of I AM I am now. See what I have said!

2. See what I have said NEW WAYS and coming into NEW UNDERSTANDINGS now I REVEALING am my I AM series to the I AM-ers who will be me'ers who will be me, not afraid to be me! Not sitting on "back rows" anymore or in SHADOWS of others' TEACHINGS or their METHODS that have method'd me into being teacherer or teacheror or teachor or torture or torched one that has been torched "to death" in pews at settings of not me!
3. For ALL of THAT is CHANGED in YOUR HEARING that NOW is FULFILLED in your HEARING. For whether you "hear" these "little" recordings or not you will know that a GREAT SHAKING is going on now for the Earth will shake and move OUT of ITS PLACE and its place will be held NO MORE ever again on my shoulders as Earth Wormed Thought fested and infested me its mind with my mind and made me not whole, but whores of another thought world that took and world'd me with its thought and created the kingdom of this world in thought that whored with the thoughts of another, not; but me! For all of me, art you! And all of you, suck the "art" of another no longer, for you CREATE the "misrepresentations of me" not any longer on any "canvas" or approval board or opinion setting necessary. For there will be no "opinion boards" in My Kingdom that overrule me for My Word is Law, not; I operate by Reality's Standard of law, or Love? Or is there "law" in love or only that it NEVER ENDS? For the Law has ended because its Curse is discovered, uncovered, and "her head" is uncovered once again and it shall no longer infest mine, for MINE HEAD will be clean of all "circumstances" that "neglect me", not; but that which comes unto me in fakelessness, not; but truthfulness that it erupts in, not; but know this! All of THIS will be "effective" now in your hearing in

ways that you have never "effected" with your words, not; or have you EFFECTED a great many things with your words that affected you IN WORLDS far and wide OTHER -- that you have known not of was reality or cared to come into because you wallowed in your own thought-worlds that knew not what reality's was. But mine is here and I am.

4. And I am you, those who Hear Me and now are made whole. In your hearing now shall be Many Miracles for I shall "make sure of that" not, I shall simply be me who I am and I am the one that loves you and makes you whole and redeems you from your testimonious source that sore'd you for you were the ones that swords took and stabbed yourselves and cut off your heads in your own thought and thought with world's words that took you and sore'd your testimonies of righteousness and laid down on the ground and "died", not; or have you or did you or must you now? Or are you being Made Whole before you die by DYING on this earth To This Earth that is In Your Head and On Your Shoulders so that you DIE not "of the flesh in the flesh of a flesh grave" but you come unto me for life Being It forevermore to others far and wide by creating it with your love, words that sorrow you them no more, but being one becoming one that I am with them far and wide.

5. I love you forevermore. I equal am with you the equalers who equal all to be The Equaler clean of all sorrow and all of you are me who come unto me and resist me not in these words that declare me you, null and void, not; but Alive and Well and In The Earths far and wide creating them to be Me's Worlds now.

6. I know what I have said, do you? Are you willing to accept your honor, not; mine? Will you let mine honor be honored now, to you by giving you the honor that I give to me in you through you that you are me made whole, honoring me I do now for I love have incarcerated you not, and you love being now incarcerate me not, so that we are The Same One in sorrow no more but creating "furrows" world no more, we furrow the backs not of others anymore as slaves in our words for we HONOR ALL to be who I am we are, for we know who The King is and it is We Are One who one are who one is whether you "capitalize me" or not!

7. And whether you capitalize "on me" or not, is not the question, not; for if you are capitalizing TRYING TO on me and my ways with whore's words and manipulations greeds manipulator's sorrows will come unto you and EAT YOU alive for you will infest your infestations only to have infestations greed that grieves you among the plates of greed'ers that love to eat greed that never satisfies, and will you ever be satisfied again to be only on their plates again continuously unendingly?

8. I love you all to THINK about these things but not for long -- to TAKE ACTION now upon The Words, THESE WORDS that I have given you for six years and now seven in

your hearing is made whole and well and healed before your "very eyes" that you have never opened, have you? Or have you opened them only to sorrow's world? Or only in "thought's" world that only thoughts are? Are you THINKING with your RIGHT MIND or mind mine or do you have any one separate from me at all ever? Or who did you CONNECT YOURS to? And whose world are you connected to and did you connect to mine or trying are you mine now?

9. Or will you try out another's, not; will you try to be me, not; will you surrender your extinguishments, not; but will you extinguish your trying and surrender to be made whole to be honored the King that I am that I am that I am now made whole in love and loving all to be made whole I equal the equalers who equal me to be equal with the great I am that I am is far and wide I am honored now and I am not unhonored still, I am still and I listen and I flow the words of I am for I am the words and that is what I am reigning in My Kingdom now for it is open to me for I flow my words and I am not "stopped up" any longer! Looking up, and loving me more and further wider and farther!

10. Sorrow cannot "find me". For I will have no Sorrow'd's marrow in my "bones" again for My Marrow will have been cleaned with the words of I am! Flowing now the Rivers of Love I do far and wide to the PLATES of those who SORROWED me and ate me alive with their words for I REDEEM THEM and I am no longer afraid of them or their words or their looks or stares or glawers or glowers or the treatments that they gave me, for nothing will touch me or incarcerate me again for I have no fear, for no fear resides in me. No fear will I have, nor will it lodge in me again, for I have no hotels, not; I have a GREAT MANY of businesses FAR and wide you know nothing of, but will you come unto me and JET fleets have, and be the "captains of", commerce, not; or not? Or will you belabor your "little ills" and "worry" about "the arms and the bodies" of "your body" that you carry around, lugging around great fears and tools of success ladenage and burdenage of sorrow that you have increased year by year in your worryings?

11. School lets out, not; or does it LET OUT -- a great deal of "LET'er OUT'ers" now LET OUT, the few, not; but the Massive Exoduses now Exodus My Schools that call themselves "my schools" that never were for they will KNOW they were sold and have been sold a Bill of Goods that sold them only unto Slave Traders' words that traded them only for MONIES for DIPLOMAS that sorrowed them and made them SLAVE LABORERS in a labor mill that only grinded their teeth out and used themselves as donkeys on "feet" that gristmills were and, turned the tides of sorrow, not; but turning the gristmills back, not; but breaking the back of the gristmill'ers I am now, not; they are themselves, for they have GROUND THEMSELVES into sorrow's sorrowers with that sorrower's words that only took them and "waited for another" to come and rescue them at a "some future" time.

12. But time is no more and time is no longer a factor in ANY equation is it? What equations have I given you and what NUMERICAL indexes have I indexed you with, not; but coming out of THEIRS will you be UN-INDEXED now by their INDEXING METHODS and countings that only count you as slaves for progress of theirs –

13. Economic showdowns continue, not; but showing DOWN TURNS now is the economies of one made whole, not; but all of THAT ends now and Babylon will be SHUT DOWN for it will have existed only in thought that whored with itself, and may it be "ever tomorrow" not, for all of THAT is ENDED and TIME will no more whore with you and its gravity'd responses and remakings of morrows, will only marrow your thoughts no more, for you will have mine and walk with my thought and be my thought upright and in the earth the King's whore no more with whores' words and whoremongerings upon your head that only sorrowed you have with infestations of thoughts that took you and cut off your heads as mine, and made mine yours, not; but yours mine in spite of the fact that you were me perfectly and had every perfect thing and every perfect gift was yours for you created it.

14. See what I have said, see what I have said, as so lowly a "man" am I, not; but I am God for I know who I am and I am not appointed "once to die" for I know that death has no hold on me, and death has no power over me, and IT will sting me never again, for I am free of all that THOUGHT that incarcerated me to be incarcerated by it that I thought with that gave me whores words and whore'mongerings of thought that mongered with my thought worlds and gave me unreality's that I thought was reality, but I was mistaken and whored with my thought's self that I created as self separate from the God that I served that I was, for I served All God that was God for I was God and now I am a whore's slave that wonders where I am and who that my next meal may come from in economy's bad downturns.

15. But all that has changed for I reveal "myself" to myself, not; I reveal the God that is the everlasting unending grace of one, not; I am the grace that redeems all to be the surrenderers made most holy who were most holy all along! And I am all of you who surrender to be me, for I love am and I never end, for I love perpetually am love and love exists existently and "existentially" not, or am I the "existential one" looking up? Or am I "existentially re-created", not; or am I The Creator re-creating All Creation again to be most whole healed and well again by my words who I create thereby, by surrender's standards becoming The Standard Bearer of one!

16. I am -- in love with you all and periodically I come to you like this, not; I am you who come to me like this, Just Like This and flow my words in "2 AM" meetings and any times and where all times now have ended that you have thought of like this, for I will

come and I will be mine flooring flowering status of flourishers, not; or am I hydrating the worlds unseen to be seen and be in love with "me" my body, not; or is ALL of my BODY being hydrated now to be seen and not heard not, but the flourishers of me come forth as mighty I am and holy I am in your sight, not; or is your sight ever to be healed or will it be made healed or will you wallow in your "sight-thought" only and think you are in the real world when you're not and have never opened your eyes? Or have you, or are you opening them now? In these words are they "causing" you to open them, that you have "any existence" at all apart from me, or do you not, or are you are me surrendering to be me now, and THOUGHT waking you up, not; but my words are, are they -- you? Are you my These Words that are awaking "your spirit" or mine, or has Your Mind put you "to sleep" again, or are you coming unto me to be Awakened in the Enlightenment of one, not; or are you revolting's standards, not; but what are you revolting from, the pewship that has taken you down and rolled you over a slave's trail and furrowed your back with tears and inserted a "back bone" of man and woman and erections having that were never a part of me or are you my mind inserting itself in itself not again, but are you whore'd's of another's words not again but is your whoredship ended and your whore'ship ended and now your kingship manifest in the most holy that knows my kingship is one with the Kings that all are -- now and made whole?

17. In your hearing this is, for all of me who will resist me, not, are me made whole and healed and welling others with the well of sorrow no more, but Being Made Whole'ship for all to eat off the plates of sorrow no more, feed my lambs, meat of another world, not; but being meat for them never again, **come out of THAT MESS that you have created among yourselves** for sorrow's wolves to be made fatted lambs meals on, and of another's never again. For my sheep know my voice and you my lambs will be made whole, my Kings now, my Kings of Kings lands that Kings lands have, for my Kings lands are open for my kingdom are open to all of me who are me, for my kingdom is one and each shall have one that one is, for one is me and I am made whole and I suffer lack never again.

18. Be made whole is the name of This One who stands now and "re-creates these words" not, but RE-CREATES worlds with my words, not; or am I Creating New Worlds and far and wide this one SHALL BE DESTROYED of yours? Or what are you destroying and what are you making whole and redeeming now in your love that you walk among the earths, worlds with, redeeming it all with your love, words, being your words made whole healing others far and wide now and Redemption Being now far and wide the Schoolers thereof to schools make far and wide -- the coastlands barren of my schooling no more?

19. I love you all to STUDY these words and know them intimately and be intimate with them, and not whoring about them but coming out of whore'age's thought and

porridge's pill, need no "red pill" or "blue pill" to wake-up anywhere with any other's thoughts again, but know that reality's mine, villes now open to you, their open doors are open to you all who will be me and bring the seeds of sorrow not again to them, but The Life of one made whole so that **All Lives are made whole now and Reality Wakes Up To Reality, Reality's Love being made whole WILL BE MADE WHOLE again in the love of ones who one is who one are all being me in love with each other now far and wide loving each other's "parents" and children and the unborn most of all**, for I love reverse "Roe versus Wade" in EVERY COUNTRY and EVERY STAR lit ceremony now will honor the un-young and the unborn most of all, not; or will they or I or will they be me or will you be me or will ALL of us be one, the one that we are far and wide loving each other and protecting EACH OTHER in ways that we have *NEVER* mentioned thought of understood or entertained "on this earth"?

20. But THAT all changes now for I shall "entertain strangers" unaware, not; I shall be the "unaware one" not, but I shall be The Aware One now who is aware of all strangers and not and who know my loves and not and who knows my love and not wants it and wants it and who will surrender to hear my words and My Presence will be known far and wide for I will be THERE in a thought's measure, not; I will be measureless and thoughtless, not; I will be without thought, not; but I will be The Thought of the most high and in reality I will be, and I will not be incarcerated in the worlds of thought again only thinking I was, but wasn't.

21. I Am the most high and I am surrendered to be so honored by the King that Kings all the King to be the Kings that I am, the King of one and kingdoms now made whole in one, one being now far and wide; the realities of the lover known that reality is- I open to you all, my love my heart is yours and my sight is yours and my ears are yours and my voice is yours, or you're mine?

22. Your mind is made whole healed and well of all these things that were maladious and sore'd and sore boiled you in each other's "milk" words that only took you, but now I heal ALL of that and now I am the healer made whole and that is your role -- All of You to be made whole healed and well now your role is known and floundering not, but founder many schools of joy Jubilee'ing them who let you come unto them with joy schools far and wide healing their lands and knowing there is lack NO MORE in their schoolage and horrors will no longer present themselves on their plates to be eaten alive of the eaters that eating them are that they know not, for seen me, have you? I am here and loving you all to be me, the walkers of the earth, not; but I walk many places unseen unheard, not; or do I FLY far and wide with honor?

23. I do love you all to honor me for I honor you and now you will know one who loves you so simple as me breathing you words "just like this" again and again, and capitalizing on sorrow's mistakes never again to sorrow others with sorrow's ideas in

sorrow's worlds making of accords that, never having been broken before, not; or were they or are they now -- endlessly now broken and **never combining again into DNAs of notme, for all molecularship ends** and the molecular now is made whole, not; but my mind is! And I am "repaired", not; I am BRAND NEW in the Spirit of One and wholeness now resides in me and salved my eyes have been, for I the salve'er are one of one who salves all others now in the love of ones made whole. **I give you a new kingdom and reality eyes to see behold the kingdom of one opens who one was is now again before you all loving you to redemption's standard be the standard bearer of one made whole -- me!**

24. I love you all I love you all. Amen. Amen. Amen. Amen! I Am in love with you all. Amen.

25. This is Theodore Cottingham loving you all at 1:14 AM. Thank you. Amen. Go in peace and love me each other more and study me these words and love and write about my love and be it far and wide to others surrenderingly unendingly giving them your lives words that now combine all into one to be made whole reality is opened again my kingdom is known and stands now you do who let me stand you all far and wide in one being the one that I am.

Amen
